**Camp Fee:**

The best part of Family Camp, **IT'S FREE!** Our generous sponsors and donors have made it possible to offer Family Camp 2017 free of charge to any family affected by epilepsy. Although camp is free, please keep in mind the actual cost per camper is \$100 and any donations you are willing to make with your registration or during camp will be greatly appreciated.

**Reservations:**

Reservations are on a first come, first served basis. Sleeping space is limited so please be sure to return your registration form as soon as possible. Once the cabins are filled, additional campers may still attend but you will have to bring a tent, RV or camper for accommodations.

**Reservation deadline is July 15, 2017**

Once we have received your camp registration, you will be sent a confirmation letter with further details.

**Special Needs:**

Some families may need special accommodations or auxiliary aids. If you have such a need, please let us know.

**Transportation:**

You must be able to provide your own transportation to and from camp.

**Cancellations:**

If you find that you are unable to attend after making your reservation, please call us to cancel as soon as possible. We'd be concerned if you just didn't show up and it may give another family the opportunity to attend!

**We are so grateful to the Boy Scouts who are instrumental in making Family Camp a success each year. They are allowing us to meet at their beautiful Camp Frontier in Pioneer, Ohio for another fun filled weekend!**

Our theme this year is **Stars & Stripes!**  
**Friday** evening up arrival we will set up the cabins. Once everyone is settled in, we'll get acquainted and start some of the fun!  
All weekend we will have good food and enjoy making new friends.

**Saturday** will be our big day with fun playing 'capture the flag' and 'what state is this?' We'll have a 'gold rush' and campers will elect a **Camp President**. We'll also create our own **Declaration of Independence** (think 'Dessert Before Dinner', Ice Cream Thursday and Parents Must Take Out Trash!). There will be educational sessions for the adults while the children do crafts and activities.

Later on, everyone will get together for family time activities, which will include **swimming, outdoor games, and a bonfire.**

**Sunday** will be breakfast and final farewells before the trip back home.

**We hope everyone is able to attend this fun weekend!**  
If you are unable to attend the entire time, consider coming for the day on Saturday to see old friends and meet new ones!
