36 YEARS & COUNTING

Dear Generous Supporter,

We are excited to announce the return of Practically Golf to Huron Street in Downtown Toledo on June 19-21, 2025. This one-of-a-kind event provides unparalleled fun as well as support for The Epilepsy Center of Northwest Ohio.

Thanks to the generosity and compassion of supporters like yourself, Practically Golf has been the largest fundraiser of the year for The Epilepsy Center since 1989. The proceeds from this important event support individuals with epilepsy and their families through programs, including Purple Day, Family Camp, our prescription assistance programs, and many others.

Since it's inception, this event has raised more than \$500,000 to support the Epilepsy Center's mission. Whether you are new to Practically Golf, you've been with us since day one, or somewhere in between, THANK YOU! We appreciate your support and look forward to another great tournament on Friday, June 20 with a shotgun start at 1:00 p.m..

Thanks, in part, to the support of partners, including The Blarney Irish Pub, this event has expanded to include "Open Play" allowing us to share the course with the public on June 20-21, 2025. We hope, in addition to playing in the tournament with your friends/colleagues that you'll bring your family to enjoy the course together over the weekend.

We are excited to offer a number of sponsorship opportunities to support our fundraising goal and also help you gain valuable exposure to the thousands of people who will play a round of "Practically" golf this upcoming June.

If you have any questions, please do not hesitate to call or email.

Thank you. Happy Golfing!
